Conceptual Note

The name "Studio Envelope" evokes warmth, authenticity, and intentionality. Our Studio delivers spaces that are thoughtful and personal, much like the cherished messages enclosed in an envelope.

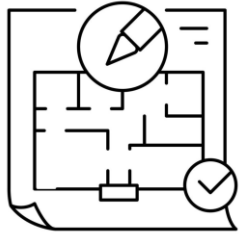

At our Studio, we embrace this symbolism by creating cohesive spaces with innovative design solutions that seamlessly blend creativity, precision, and purpose, wrapped with love and passion reflecting your unique personality and needs. We focus on innovative thinking and meticulous planning to ensure harmony between functionality and aesthetics.

Through our work, we highlight our commitment to creating spaces that feel like heartfelt messages—crafted with care to bring joy.

SHYAMKUTIR

ARCHITECTURE & INTERIOR PROJECT

Located in Ballari, this is an architectural renovation and interior design project. The client's requirement was essentially to add two bedrooms, a gym room to their existing bungalow and refurbish the informal and formal living. This project was designed keeping in mind the contrasting tastes of the sisters, wherein one wanted earthy tones with a traditional touch while the other wanted contemporary and minimal aesthetics.

Area: 6200 SFT

Location: Ballari

Year of Completion: Ongoing
